## NODE-RED DASHBOARD

A screenshot of a web application's login form. The background is a solid blue color. At the top center, the text "Login Form" is displayed in a large, bold, black font. Below this, there are two input fields. The first is labeled "Enter User Name :" and contains the placeholder text "Enter user name here". The second is labeled "Enter Password :" and contains the placeholder text "Enter Password here". To the left of the password field, there is a large, light blue plus sign icon. Below the input fields, there is a black rectangular button with the word "Login" written in white text.

A second screenshot of the same login form, but with user input. The "Enter User Name :" field now contains the text "yogapriya" in green. The "Enter Password :" field contains a series of dots, indicating a masked password. The "Login" button remains black with white text. The background and layout are identical to the first screenshot.

POP-UP MESSAGE APPEARS:

A screenshot of a pop-up message box. The box has a white background and a black border. At the top, it says "ibmproject123456.000webhostapp.com says" in bold black text. Below this, it says "Login Success...Redirecting to Dashboard" in a smaller black font. In the bottom right corner, there is a blue rectangular button with the text "OK" in white.
